### Auswertung zur Veranstaltung Moderations- und Rhetoriktraining

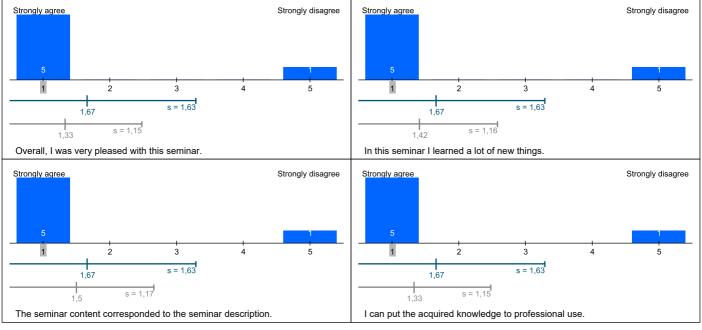

#### Einzelfragen

#### About the lecturer(s)

#### About the seminar

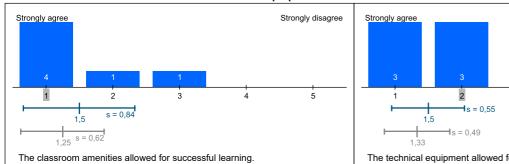

#### What did you like in particular?

- A lot of interaction
  - Opportunities to put acquired knowledge into practice
  - Loved the last part feedback was so useful
- I liked the structure, the atmosphere and how the instructor interacted with the group.
- I really enjoyed the structure of the seminar and the logical way it progressed.
- The Coach was very well prepared and was able to really adapt to our situation (requirements in our organization). Very positive and knowledgeable.

#### What could be improved?

- Agenda ahead of time
- Nothing

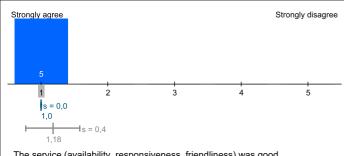

#### Classroom amenities and technical equipment

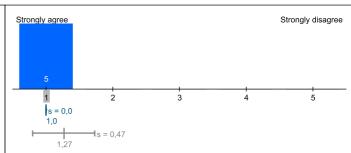

The technical equipment allowed for successful learning.

## Service and training organisation

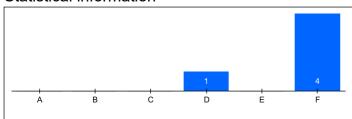

The service (availability, responsiveness, friendliness) was good.

Strongly disagree

The course organisation (enrollment, confirmation procedure, information about the training location) was good.

## Feedback and suggestions

Which further seminar topics are you interested in?

- · Follow up presentation workshop.
- What to do when you are an active chair/moderator

Do you have any other suggestions or comments you would like to share?

- Regular seminars for FAs
- Steve is an amazing coach! Thank you very much!!!
- The seminar was a really great learning experience for me. The different role plays and practical exercises let us put different concepts and ideas straight to the test.
   The seminar leader is extremely knowledgeable on the topic and was able to create a very enthusiastic and inclusive learning environment!
